SP 3/9/14

The humble petition of the undersigned inhabitants of Maduvanari, Tumkur District.

Sir,

I beg to draw your kind and favourable consideration to the following facts which the nature and importance of object sought for therein will be seen by perusal of.

Remainder petn - case disposed of (vide sl. 6) 29-9-14

My (Grand-father) was appointed Khazi of this taluk for the 30 to 70 years which may be clearly seen from the accompanying records, in a sanad given by him on 18-2-19 he set aside the claim of Mr. Mohadeen who were the applicants to Khazi's office, on the score that they have no right whatever to any claim to the above as besides he was not in favour of appointing them for the following reasons. Then in an appeal preferred by them before him in this matter, it was decided after hot discussion by the Sub division officer on 1-9-09 that the work of the Khazi may be well executed by men other than these five applicants (this was done by some of the prominent men of the place), it was decided that I should succeed to that place as formerly. I was appointed Khazi as per Muchalika executed by them.

These people being disappointed in their case one wanted to revenge the wrong done [illegible] as a result of which they raised a great hubbub, while the Khazi was going to the Mosque for prayer and for which they were punished with a fine of Rs50/- but were pardoned afterwards after they came to agreeable terms and gave a written Muchalika on 12-9-09 to the effect that they would never give vent to any such unlawful procedure. Not-withstanding the punishment once imposed on them, their evil spirit could not be curbed, as they were often creating lot of mischief. Again they presented a petition to the Deputy Commissioner on 11-3-12, /where in they put forth that they were the legal successors to that place at the same time setting aside my right to it.

to it.

In reply to those petition they were informed by the Deputy Commissioner in his o 1048 dt. 13-7-21, stating that their claims were not valid and hence their case cannot be considered.

All on a sudden without any ~~mis~~ knowledge or consent Jamaluddeen was appointed Khazi on probation for one year. No sooner he succeeded to that place, he started to maltreat the people regardless of their honor and position and striking --- example of his character can very well be seen out by a suit, brought against him, which is at present pending in the Sub-Division Officer's Court. Though such was the manner in which he behaved towards the public, yet the Authority unjustly --- certified that he is capable of holding the office of Khazi---- permanently.

When I wanted to ~~throw~~ file the authority under which --- Jamaluddeen was selected Khazi, I was given to understand that the majority of the votes were cast in his favour and so he has been selected and on my representation to vote for second time, no consideration was paid to my prayer.

Though there are [illegible] considered in this town, the whole record [illegible] any one of them.

So, what I humbly beg to state is that I was working for the last 10 years and there I conducted my work peacefully without giving any trouble to any fellow men have been unjustly thrown out of that place. Therefore humbly beg that my case may be ---- favourably considered in the light of justice or the position once bestowed upon me by my Grand father may kindly be restored to me.

For which act of kindness I shall ever pray God Almighty to give you long life and prosperity.

Mohd. Ghulam 26- 2 8 1921
